Hi colleagues,

Here is some information on the new ejournal, *Christian Psychology Around the World*. I imagine many are aware of it already and also have connections with IGNIS/Werner May et al. in Germany.

Hope your summers are going well (or winters for you in th Southern Hemisphere).

Best to you,

Kelly

Dear Kelly,

Please allow us to send you the main link to the previous three editions of the e-journal ***Christian Psychology Around The World***:

<http://emcapp.ignis.de>

If you like this journal, we ask you to send this email to other possible interested parties. Thank you.

We are currently sitting at the final sprint with the new edition with the focus country Switzerland. I am pleased to present many interesting articles in the summer.

Your **old friend** Werner May

President of the European Movement For Christian Anthropology, Psychology and Psychotherapy
