Subject: Global Integration and Faith-Based Perspectives--Resource Update May 2013

To: Member Care Associates <mcaresources@gmail.com>

Hi MH colleagues and friends,

Hi from France!

We are sending this email to many of the professors/practitioners that I (Kelly) met during my recent USA trip (e.g., colleagues i met at the CAPS conference and at several doctoral programs of psychology). I was in the USA for a month interacting about [Global Integration](#)--integrating our lives globally as mental health professionals for God's glory.

[Global Integration](#)-

We are passing along our latest *Resource Update* to you, below. We think that you will find it relevant for your work and training programs. This month it provides [core references/quotes regarding the contributions of the faith-based sector for humanitarian, health, and mission work.](#)

The *Resource Updates* are sent monthly in order to encourage us "**as learners-practitioners to cross cultures, disciplines, and sectors for good practice.**" If you are interested, subscribing to the monthly *Updates* is easy and free: <http://eepurl.com/kcuon>. Archives of the *Updates* are also available on our website in the *Resource Updates* section. www.membercare.org

Please feel free to pass this message on to colleagues.

Warmest,

Kelly and Michele
