7th AMCN Conference

Stories, Strategies & Struggles

Member Care in the Asian Context

April 19-23, 2021
Rainbow Paradise
Hotel
Penang, Malaysia

Introduction

The Asia Member Care Network Conference began in 2008 under the leadership of Dr Wilson Phang, David Tan and a working committee of seven members. It has been thirteen years since we Asian Member Care Providers began learning what it takes to care for our Asian workers around the world. We want to thank our early partners and sponsors Barnabas International, Heartstream Resources USA, Heartstream Resources New Zealand and The Well in Thailand. They believed and supported us financially in our vision and desire to stimulate and begin a member care movement in Asia. We have learned, contextualized and are now ready to begin sharing the lessons we gleaned from the past decade. The focus of the next Conference is twofold. What does it take to provide care for workers in Asian countries? As Asians become members of international teams, this focus will provide insights into their needs for pastoral care. Second, what do workers from the rest of the world serving in this region need to thrive? The regional challenges of Asia are unique. Let the insiders from this region provide you with handles to help workers thrive in their ministry. While the Asia MC movement is still in its infancy, we believe that we have precious lessons to share with the larger Global MC. Come listen, learn and dialogue with Asia MC Providers as we share our *Stories, Strategies & Struggles*

Rest

*Return to your rest, my soul, for the Lord has
been good to you. – Psalm 116:7*

These quiet prayer retreats are for those who are desiring to go on a deeper journey with God.

God calls us to stillness and quiet and so there will be guided group meditations and then plenty of opportunities for your own silent times of prayer and for rest.

The guided group times will include Scripture, music, and times of silence. There will be chances to pray in creative ways using collage, paints and crayons.

Venue:
Stella Maris Retreat Center, Penang, Malaysia

Cost:
US\$180 (US\$160 before January 21st 2021)
